SCREAMING EAGLE

Screaming Eagle Winery and Vineyards is a California wines estate producing limited amounts of varietal wine to the small quantities produced and high prices commanded. Their wines are considered cult wines. The winery is located in Oakville, California north of the town of Napa in the Napa Valley. The estate has gained unprecedented acclaim in such a short period of time and the wines can be found in charity auction and investment portfolios for unprecedented dollar amounts. The quality is undeniable and the production of an average 700 cases makes this incredibly rare and precious. To note, the 2005 vintage produced only 400 cases.
